

## Step by Step Procedures

Once you have acquired your account authorization, go to the DoD E-Mail Homepage by entering the following address; <http://www.emall.dla.mil>. Once there, read the warning message then press continue.

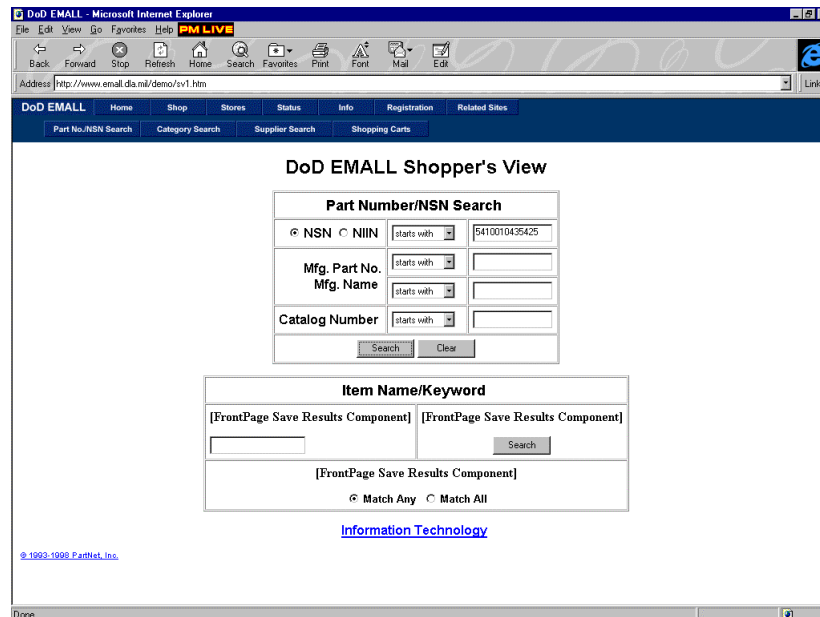

This will take you to the "Welcome to the DoD E-MALL!" screen, where you will click on the appropriate Service/Agency Icon (e.g., USMC, USA, USAF, USN, Coast Guard, etc.). Click on commodities button, which will then display the DoD E-Mall Search Screen.

Once in E-Mall you can search for information by “Keyword, Part Number or NSN/NIIN.” You can also search by a specific category if you choose to do so.

Let’s take a look at how the system works by searching by NSN. Press the “Search” button so that next screen appears (please note that the NSN button is highlighted and a stock number is entered in the appropriate area):

Once data is input, press the “search” key and the “Query Results” screen will appear. You will see that there are hot keys available for you to obtain additional information:
